- Click the "Login" option

My Accounts

There is more than one way to hold Treasury securities – you can use:

- [TreasuryDirect®](#)
- [Legacy Treasury Direct®](#) (**NOTE:** Legacy Treasury Direct is being [phased out.](#))
- [the Commercial Book-Entry System through your bank or broker](#)

We are currently experiencing higher than usual call volumes. We sincerely apologize for the long wait times and are working to support our customers quickly as possible. Thank you for your patience.

Did you know you can purchase I bonds at the current rate through October 31, 2020?

Any questions? [Learn More.](#)

TreasuryDirect®

You can buy Treasury securities using one convenient web-based account in an app or TreasuryDirect. In TreasuryDirect, you conduct transactions online without personal contact from us.

You can purchase and hold savings bonds and marketable securities. Marketable securities include Treasury bills, Treasury notes, Treasury bonds, Floating Rate Notes, and Treasury Inflation-Protected Securities (TIPS).

[Log in](#) [Open an account](#) [Learn more](#)

Legacy Treasury Direct®

Legacy Treasury Direct is being [phased out.](#) Purchases, reinvestments, new account openings, and incoming transfers are no longer available in the program. We'll maintain securities in your account until they mature.

- Type in your account number you have from your email then click "Submit"

- Because this is the first time you are logging in you will get a passcode sent to your email. You will need to enter that on this screen. Make sure you check the box that will register your computer so you will not need to get a passcode everytime you login. Then click "Submit"

- You will then need to enter your password with your mouse and NOT your keyboard.

- Click the "BuyDirect" Tab

-Select the Series I option and click "Submit"

BuyDirect

[Learn more about Security Types.](#)
